Dear Billie,

On behalf of everyone at Philip Morris, I want to thank you for responding to the New York Times article. Everyone was very pleased.

I personally want to thank you for once again being there when needed. In the past five years, you have been so supportive of me in my "rookie years". Just knowing you has made everything worthwhile.

As I look forward to 1993, I am so thankful that Vivian, Merle and Richard will be a part of my life - thanks to you!

Again, thanks for being there and being a friend.

Sincerely,
